

Hello Race to Read Parents!

We are so excited that you are coaching your child to READ on time! We would love for you to visit our website to watch our short videos on some of the reading strategies we use in the book: www.racetoread.com

Please remember that you can use the 'Buster Shuffle' method to teach letters, sounds, and sight words ALL within the same week! You do NOT need to wait until your child learns all of the letters and sounds in order to start teaching sight words.

Highlight the letter names, letter sounds, and sight words your child has mastered.
